## Second Sunday of Easter (or of Divine Mercy)

### BELIEVING

New birth, new life, good news! These themes run throughout today's scripture readings. The first reading from the Acts of the Apostles describes the joyful early days of the newly born church, when members devoted themselves to instruction, the communal life, the breaking of bread, and the prayers. The passage from Peter's first letter echoes that joy, and assures those who now believe though they never saw Jesus that their faith will lead to their salvation. But amid all the joy, the Gospel reading calls us to sober reality. Not everyone can believe so easily. Even an apostle can doubt this astonishing news of the Resurrection. Across the centuries, Jesus reaches forward to touch us today: "Blessed are those who have not seen and have believed."

### Segundo Domingo de Pascua (Domingo de la Divina Misericordia) FELICES LOS QUE CREEN

¡Nuevo renacer, nueva vida, buenas noticias! Estos temas relucen en las lecturas bíblicas de hoy. La primera lectura de los Hechos de los Apóstoles describe los primeros días de júbilo de la Iglesia recién nacida cuando los miembros se dedicaban a la enseñanza, la vida en común, la fracción del pan y las oraciones. El pasaje de la primera carta de Pedro refleja esa alegría de la nueva vida y asegura a los nuevos creyentes que no conocieron a Jesús, que su fe los llevará a la salvación. Pero entre esa alegría, la lectura del Evangelio nos hace volver a la realidad. No todos pueden creer tan fácilmente. Hasta un apóstol puede dudar de estas noticias extraordinarias de la Resurrección. Durante dos milenios Jesús nos busca y nos toca al decirnos: "Felices los que creen sin haber visto".

## TREASURES FROM OUR TRADITION

One of the great Easter traditions is "mystagogy," an ancient word meaning "reflection on the mysteries." It is a style of catechesis, or passing on the faith. People who have shared an experience, in this case those who have been baptized at Easter, are urged to recall their experience, reflect on its meaning, and apply their insights to their new way of life.

There is an aspect of an experience that is simply not available until you've had it. For example, you may think you know weddings inside out; you've been to dozens, seen hundreds in the movies or on television, but until you've said "I do" to another, there is a certain knowledge unavailable to you. Those who go down into the waters of baptism as adults have similar experiences; they have all taken baths before, but not like this one!

Mystagogy helps such persons to uncover the deep meaning of the experience, their sense of a new beginning, of God's abundant love, of forgiveness, of community.

It takes time for the power of the Easter Vigil to work its wonders for us. Those who are newly baptized are called "neophytes," meaning "newly planted." The tender buds of spring need care and nurturing, and our new brothers and sisters need your prayer and your

## LECTURAS DE HOY

**Primera lectura** — Todos los creyentes vivían unidos y compartían todo cuanto tenían (Hechos 2:42-47).

**Salmo** — Den gracias a Dios porque es bueno, su amor es eterno (Salmo 118 [117]).

**Segunda lectura** — Dios nos concedió renacer a la vida que esperamos por la resurrección de Jesucristo de entre los muertos. (1 Pedro 1:3-9).

**Evangelio** — Felices los que creen sin haber visto (Juan 20:19-31).

## TRADICIONES DE NUESTRA FE

El 20 de abril de 1906 los ojos de una imagen de la Dolorosa comenzaron a parpadear durante un lapso de 15 minutos en el colegio jesuita San Gabriel, en Quito, Ecuador. En 1995 en Cochabamba, Bolivia, donde una imagen del Divino rostro lagrimó sangre y después, una imagen de la Inmaculada hizo lo mismo. En el transcurso del siglo veinte, muchísimas imágenes de Cristo, María e incluso, el Espíritu Santo, lloraron lágrimas de agua, sangre u óleo, emitieron aroma de rosa o mostraron alguna manifestación paranormal.

La ciencia logró explicar algunos de estos fenómenos, pero en muchos casos no fue posible. Normalmente, la jerarquía eclesial prefiere no hacer declaraciones oficiales al respecto, por lo menos, no antes de mucho escrutinio. El apóstol san Juan recomienda examinar cada espíritu (1 Juan 4:1-3) y esto es lo que la Iglesia hace con estas manifestaciones sobrenaturales. Con investigaciones científicas, sociales y espirituales se examinan cuidadosamente estas manifestaciones a fin de asegurar que provienen de Dios y no del diablo u otros orígenes. En fin, la mejor prueba de la veracidad de estos fenómenos es la conversión de los fieles.

## Prayer During an Epidemic

Lord Jesus, hear our pleas, our good shepherd and divine physician. We implore your mercy in the wake of an outbreak of serious illness and disease, guide our efforts to prevent contagion and make preparations to care for those most vulnerable, assist all professionals and volunteers who work to eradicate the epidemic now spreading, may our actions be marked by your steadfast love and selfless service and never by panic or fear. Bestow your comfort and healing to the sick, sustain and strengthen them by your grace, may they know your closeness as they carry the cross of illness. And may all who have been called from this life come to worship you eternally with all the saints as you grant consolation and peace to their mourners, Amen. Holy Mary, health of the sick, pray for us  
St. Joseph, Hope of the Sick, pray for us.  
St. Rocco, protector against epidemic, pray for us.
